

Invited Talks from Faculty

1. Dr. R. C. Biradar, delivered an invited talk on “Introduction to NS-2” in AICTE sponsored Faculty Development Program on “Advanced Communication Technologies” at RNSIT, Bangalore, on 7th July 2013.
2. Dr. R. C. Biradar was a Resource person for the “Workshop on LaTeX for Quality Typesetting”, conducted on 7-9 May, 2013.
3. Dr. R. C. Biradar, was a Resource person for the “Workshop on Wireless Sensor Networks Technology & Simulators”, conducted by Dept. Of ECE, Reva ITM, Bangalore, on 29-30 April, 2013.
4. Dr. R. C. Biradar, Delivered a technical talk in “Workshop on Research Methodology”, conducted by Dept. Of ECE, Reva ITM, Bangalore, on March 10, 2012, for PG students at Reva ITM.
5. Dr. R. C. Biradar, Delivered a technical talk in “Workshop on Research Methodology”, conducted by Dept. Of ECE, Reva ITM, Bangalore, Jan 30 and 31, 2012, Reva ITM
6. Dr. R. C. Biradar, Delivered a technical talk in “Workshop on Network Simulation with NS2”, Dec. 16-17, 2011, for PG students. Reva ITM.
7. Dr. R. C. Biradar, Delivered a technical talk in “Workshop on Computer Network Simulation Using NS2”, conducted by Dept. Of ECE, Reva ITM, Bangalore, on Feb 2011. Reva ITM.
8. Mr. Venkatesh Prasad delivered a talk on Microprocessor 8085 in the workshop “Microprocessor Architecture, Programming and interfacing” conducted by Dept. Of ISE, Reva ITM, Bangalore, on March 2013.
9. Mr. Mylara Reddy C Handled hands on session on simulation of wired and wireless networks using NS-2 in AICTE sponsored faculty development programme on *advanced communication technologies* at RNSIT, Bangalore on 19 July 2013.
10. Mr. Mylara Reddy C, was a Wipro certified corporate trainer in association with Argon Solutions, Bengaluru in 2012. He was responsible for training the newly recruited graduates of Wipro Technologies.
11. Mr. Mylara Reddy C delivered a talk on TCL, OTCL and NS-2 theory and lab sessions in workshop “Simulation of Wireless Networks using NS2” at VTU, Belgaum 16-18 February 2012.
12. Mr. Mylara Reddy C delivered a talk on TCL, OTCL and NS-2 theory and lab sessions in workshop “Computer Networks Simulation using NS2 Simulator” at TCE department, Dr. AIT, Bangalore on 26th March 2011.

13. Mr. Mylara Reddy C delivered a talk on TCL, OTCL and NS-2 theory and lab sessions in workshop “Computer Networks Simulation using NS2 Simulator” at ECE department, REVA ITM during 2nd -5th Feb 2011.
